## Quadri Easy Access modell-samhandling på web

Pieter Dhondt og Mats Fensholt

## INTRODUCTION

- In this document you find disclaimer texts to be used in external presentations of Trimble Civil Engineering & Construction Division
- Other languages and formats are produced per request or by user (this means you)
- There are several reasons why you might decide to add disclaimers to your presentation (or other document). Two typical reasons are legal and marketing reasons (Convey professional image)

## DISCLAIMER

- This presentation outlines Trimble Civil Engineering & Construction Division's general product direction. It is for information purposes only and is not to be integrated into any contract. It is not a commitment for the delivery of any material, code or functionality. Do not rely upon it in making purchasing decisions. Trimble Civil Engineering & Construction Division reserves the right and discretion for the development, release, scheduling or discarding of any features or functionality described for Trimble CE & C Division's products.

# AGENDA

- 3D Presentasjoner

# TRIMBLE ID: VIANOVA ID MIGRERING

- Lag deg en Trimble ID
- Logg inn på <https://np.trimble.com> og følg wizarden
- Alle lisenser og prosjekter er nå overført!

Do you have a Vianova ID?

We are now migrating from our existing Vianova ID accounts to use Trimble ID. Therefore we provide you the option to link your existing Vianova ID with your Trimble ID. In that way all your information and access to products and projects will be preserved.

If you have a Vianova ID, please link it with your Trimble ID by filling out the Vianova ID sign in dialog below.  
If you do not have a Vianova ID, please click the the *Proceed without Vianova ID* link on the bottom of the page.

Please fill out your Vianova ID

# 3D på Easy Access

# NY 3D VISUING

## TRIMBIM TEKNOLOGI

 Trimble.

NEW!

# FUNKSJONALITET

The screenshot shows a software interface with a sidebar on the left and a main content area on the right. The sidebar contains four items, each with a small image, a title, a timestamp, and a plus icon:

- \*00 Terreng og Bygg  
yesterday
- \*01 Oppmerking, Skilt og Trær  
yesterday
- \*02 Veg og Landskap  
yesterday
- \*03 Konstruksjoner  
a month ago

The main content area has a title bar that says "Ny funksjonalitet" and a list of features:

- Se på flere presentasjoner samtidig
- Attributter er lagret i presentasjoner: rask tilgang
- Clip plane
  - Langs alignment
  - Bytt mellom forside/bakside
- Fullscreen
- Forbedret måleverktøy
- Topics integrert!

At the bottom of the main content area, there is a toolbar with six icons: a blue square, a white square, a pair of scissors, a trash can, a magnifying glass, and a square with four arrows pointing outwards.

# CROSS SECTION, INFO, ZOOM ALL & MEASURE

	Vis/skjul egenskapsvindu
	Mål avstand Delavstand i XY planet og delta Z vises i farger
	Klippeplan, ett eller flere Hold markøren i ro over linjen du vil snitte langs. Dobbelklikk på saksen vil speile klippeplanet
	Slett måling eller Klippeplan
	Zoom hele Fin å ha om du kjører deg bort ;=)
	Fullskjerm, brukes gjerne med å <u>Unpinne</u> side vinduene
